Chapter 1: Meet Me Or Die Trying

Greetings, now like in every other story they tell you their name. Well I'm not, you will hear my name during the story. Just be here to catch it. Our story starts in Rome. When basically I am sentenced to death because I tried to kill the king... not going to tell you why, let's just say I was told to. Alright fine... I will tell you the story all the way from the beginning.

It was like any other ordinary day. But this day is special, not only it is the day that I become part of Assassin's Creed but it is also the day when the leader tries to kill the king first.

I obviously was standing in the front waiting to meet the king. He sentenced a public meeting with me. Now if you haven't noticed already I don't live in Rome. I live in London. When the carriage started to slow a darkness covered the sky. I look behind me and see a man with a white outfit and a hood. He hands me a sword, I don't think he even knows who I am. He passes me and throws four knives, obviously killing four guards. I was scared stiff. The king, comes out of his shelter and takes out his sword. He nods his head and other guards come out from behind the pillars. The hooded man, was joined by other hooded people with other weapons. They started running, then bam. The king falls, I start running.

I stop and catch my breath, after running for... who knows how long. Then the hooded man

jumps in front of me, then realized, I still had the sword with me. But, I am too weak to lift it, he lifts up his fist and last thing I see...

I wake up to the sound of chatter and banging of mugs. I am on a hammock, I don't know what happened, my head is pounding as if I had a really really bad headache. I turn my head to see if anyone is here and instead of seeing someone I see clothing and a note.

Dear Ms. Shadow,

Put these on once you wake up, then meet me at the head of the hall.

I shall see you shortly after,

Edward Creed.

I put on the black and red outfit with the cape and everything else and put up my hood. Then I go to the hall and everyone is staring at me. I walk up to the table at the end of the hall.

Everyone in the hall goes back to their conversations and the hooded man that we have met before in the first chapter. Oh, by the way! Did you catch my name?. Basically it is the name of this chapter. Yep. My name is Zeara Shadow! I know right! Sick Name. Everyone tells me that. But we are not here for that story.

So, he gets up and shows me to a room. Maybe to talk privately with me.

"I see you have found the note,"

"Isn't it obvious, here I am in these clothes standing in front of you."

"Put your hood down," He says while taking his hood off. What was revealed? Well let's just say he looked like a cuter version of Prince Caspian from Narnia. I put down my hood revealing waist-long black hair but put up in a braid.

"Why'd you kill the King?"

"I didn't kill him... He is still alive,"

"Okay so why?"

"I wanted you to runaway"

"So you could knock me out?"

"Can we please change th

"No, I want to know why!!"

"Alright, alright... calm down you're going to make the others curious,"

"Then tell me why,"

"Can we just say that 'I chose you'?"

"I want the whole story,"
